

Popular and Preferred

1-Clic® was selected 2 to 1 as the consumer preferred package for dispensed medications.*

- Opens easily with minimal tab pressure and slight turn
- Audible “click” to ensure closure is properly secured

- Regulatory compliant for “light and tight”
- Commended by the Arthritis Foundation for ease of use

* Study conducted by Great Lakes Marketing, November 2011.

Research proves 1-Clic® is the easiest-to-open prescription package!*

Child-resistant

To Open:

- Hold tab down
- Twist cap counterclockwise

To Close:

- Twist and tighten cap clockwise until “click”

Non-child-resistant

To Open:

- Twist cap counterclockwise

To Close:

- Insert narrow cap end in vial
- Twist clockwise to close
